

# User story V- Add funds via a payment system

Scribe<sup>==</sup>

1 Click "FUNDING"

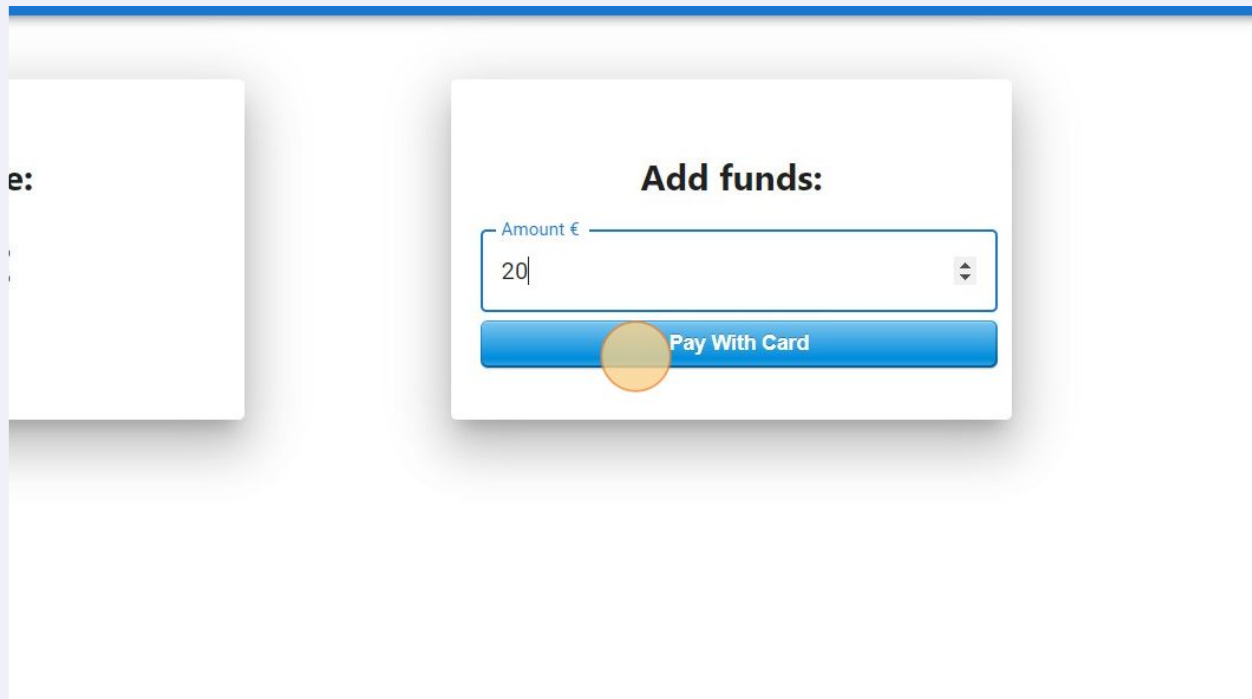

2 Click the "Amount €" field.

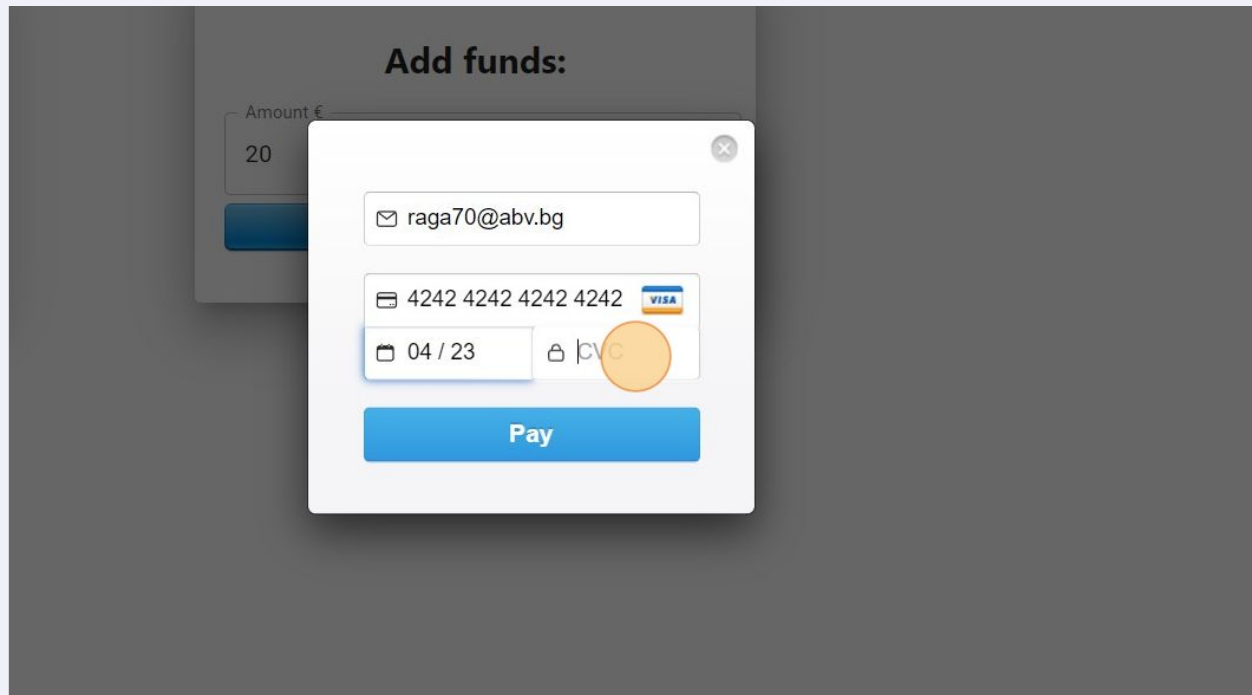

The screenshot shows the 'djigitBET' dashboard with a blue header bar containing the logo and navigation links for 'SLOTS', 'FUNDING', and 'DASHBOARD'. On the left, a white card displays the 'Balance: 31 €'. On the right, another white card titled 'Add funds:' contains an 'Amount €' input field with a coin icon and a 'Pay With Card' button.

3 Type the desired amount of money you want to add

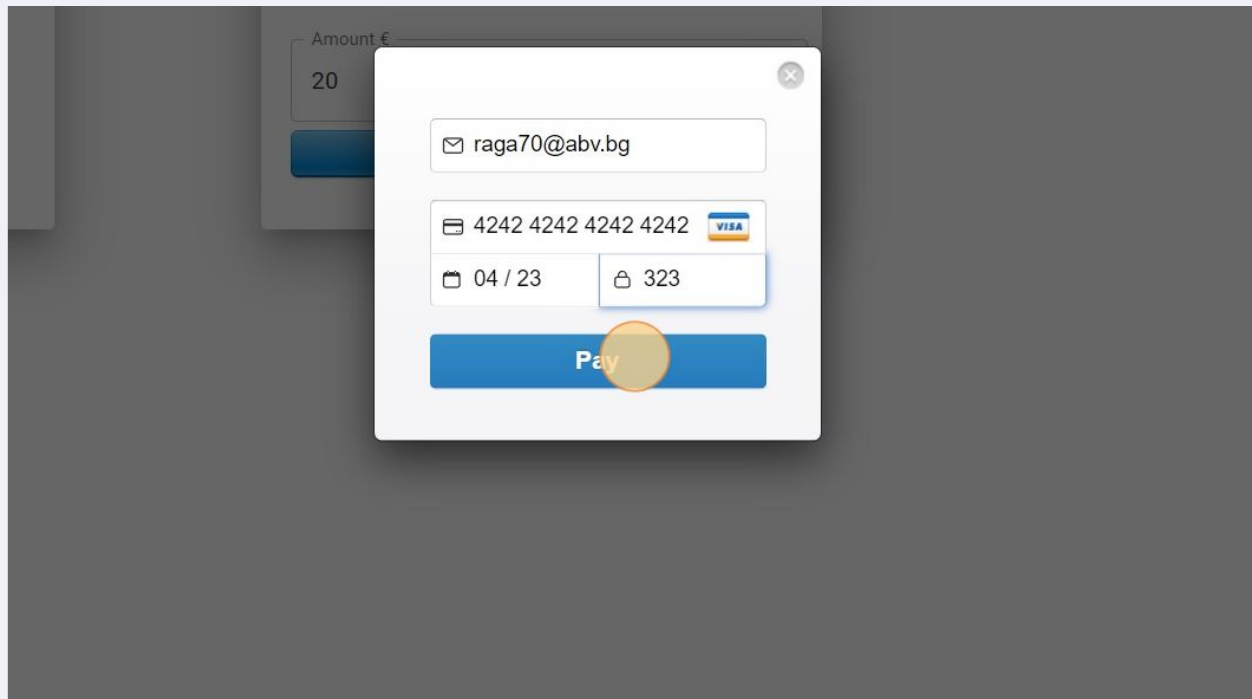

4 Click "Pay With Card"

5 fill in your email and card details (stripe testing cards can be found on <https://stripe.com/docs/testing>)

6 Click "Pay"

7 After and if the transaction goes through you will see your balance increase
